BOLSTERS ARENA FUND - Mayor Ray Gibbon of St. Albert is pictured above making his worthwhile donation of a \$50 cheque to the Arena Building Fund. By the broad smiles on their faces one detects that Chairman of the Building Fund, Rene Kambourff and committee members Jake Vaugois and Cliff Gallant are plenty happy. A total of \$60,000 is required to be raised this year and this committee has dedicated themselves to the raising of this money. It is hoped that all Service clubs, citizens and all St. Albert organizations will rally round and support this tremendous project one hundred percent.

Lions plan business development course

A course in business development will be conducted in St. Albert by Jim Cowie of the industrial development office of the department of industry and development.

The course, being sponsored by the St. Albert Lions Club, will begin at 7:30 p.m. Feb. 13 in the Str Alexander

Sanctum

The Sanctum Teen Club will be closed for repairs for three weeks. Decision was made by the management committee during their Feb. 3 meeting.

Also, the Hootenanny which was to be held Feb. 8 will now be held on March 8. Look for posters in the high schools advertising this event.

Trophy named in honor of W. Soprovich

A provincial ASAA trophy has been named in honor of William Soprovich, who until last year, was principal of the St. Albert High School.

The trophy is awarded annually to the zone badminton team, exclusive of Edmonton and Calgary, which accumulates the most points at the annual ASAA badminton tournament.

This trophy, which first became eligible for competition in 1968, will be known as the Soprovich Badminton Trophy. It was won by the

Mackenzie School.

"The basis of the course," Mr. Cowie said Monday, "is to give people interested in business development an understanding of what is required in business development programs."

"They must be able to see what is required and then know how to go about getting it."

Mr. Cowie said nothing was cut and dried. He said it was not possible to say that a business was needed and just go out on the street and get it.

He said groups had to know who and what to approach before any moves were made.

He said a good portion of the course would deal with what industries and businesses would be looking for. Groups seeking these industries and businesses would

have to be able to supply the answers.

Anyone interested in the course should contact W. E. Jamison, chairman of the Lions management development committee, at 599-7144 days or 599-3852 evenings.

Scanner used in detection of eye disorders

The CNIB says half of all blindness can be prevented. The theme for this year's White Cane Week in Canada is "Be Wise, Protect Your Eyes".

The Scarborough Scanner plays a very important part in detecting disorders of the eye which could, if allowed to continue untreated, cause blindness, says Mrs. M. A. Thirlwell, R.N., of the CNIB.

One such disorder is Amblyopia, or "lazy eye syndrome" as it is commonly called. It is important that lazy eye be detected early, Mrs. Thirlwell said. After the child reaches the age of seven, it may be too late.

Mrs. Thirlwell visits health units throughout the province in order to acquaint the personnel with the Scanner. "It is imperative that all children have an eye examination at the age of four or earlier", she said.

The Scanner is set up in a darkened room with the child twenty feet away from the test panel. The operator is seated beside the child

It was learned at the last meeting of town council that the budget for the current year will be ready for council scrutiny on Feb. 23. No hints were given as to the possibility of a mill-rate change, but earlier statements by Mayor Ray Gibbon indicate that no increase is to be expected.

Department estimates are prepared by the civic employees and will then receive item by item study by Councilor Wheatley's finance committee. The final step is approval by the entire council.

In a fairly quiet night, the councillors efficiently handled many routine civic matters. The question of other traffic having to stop for unloading school buses ended with a decision to seek province wide revisions at the next meeting of the A.U.M.A. At present the matter is a matter of provincial law and not subject to municipal changes.

Two small procedural problems came up. In a rather humorous vein, council had to rescind their previous passing of a bylaw calling for equipment purchases only to re-pass it a few minutes later. Previous passage had been made before a necessary certificate had been received. Another problem arose concerning a local bylaw prohibiting trucks from being

parked in residential areas. It was discovered that council would have to name each individual who was to be prosecuted before any action would be taken. The matter was sent to the town's lawyers for proposed changes so that it could be applied without this procedure.

Bishop Street is to be changed from two-way to one-way traffic between Churchill Ave. and Bishop Street by the closing and sale of the west portion of the street. The change is to take place early in the spring.

The proposed publication of an authorized resume of council action and policies was sent to the finance committee for its study and recommendations. The idea is to supply everyone in St.

Albert with a copy, thus increasing public knowledge of the workings of their elected representatives.

Other business saw the offer to purchase lots 60-62 and 66 turned down because of their possible role in future civic development, a renewal of membership in the Canadian Federation of Mayors and Municipalities, and the approval of a proposed "ham" radio tower on the lot of Dr. D. M. Proudlock.

Council also approved in principle developers plans for Mission Park and Braeside, and the idea of combined residential-commercial apartments in the downtown area. The final business of the night saw the appointment of Councilor Kambourff as liaison between council and the Sanction committee.

Plastics firm in St. Albert

A plastics firm may be in operation in St. Albert by September.

The Gazette has learned that Lacroix Holdings Ltd. have purchased the Monomold Containers building west of Grandin Park.

Antoine J. Lacroix, president of the family group which previously owned a pulp mill in New Brunswick, is at present residing in Edmonton.

His son, Donald, who will be in charge of the operation,

is expected to arrive late in the spring.

It is expected that the firm will have a show room set up within the next four weeks.

Mayor Gibbon and the province's industrial development office has been working in co-operation for quite some time to assist the Lacroix group to locate here. It is believed the new firm will provide considerable employment opportunity.

Four year old Debbie MacFarlane, 51 Glenmore Crescent indicates with her right hand which way the "E" points as she is being tested on the Scarborough Scanner by Mrs. M. A. Thirlwell of the CNIB.

Don Wilson wins 4th straight fight

Don Wilson of St. Albert scored a technical knockout over Jim McKercher of Fort McMurray at the 40-second mark of the second round at Fort McMurray Saturday night.

Wilson, who fights out of the R Gym in Edmonton, swarmed all over McKercher from the opening bell.

McKercher, game all the way, hung on through the first round but wasn't in the fight in the second.

Wilson caught him with a left on the head, driving him into the corner, then shot a right underneath. Moving to his left he caught McKercher with a solid shot under the

heart and with McKercher defenceless, the referee moved in quickly and stopped the fight.

It was the fourth straight victory for Wilson, who will

shortly challenge Dale Anderson of Rocky Mountain House for the 110-pound provincial amateur junior title Anderson took from him last fall.

Mall features heart display

Dr. Tal Talibi, director of intensive care, Royal Alexandra Hospital, will be in attendance at Westmont Shoppers Park, Thursday, Friday and Saturday, Feb. 6, 7 and 8 in conjunction with Heart Month.

Dr. Talibi will be on hand from 3-4 p.m. and 5-6 p.m., to demonstrate some of the equipment used in the prevention and treatment of heart disease.

A group of six nurses and two technicians will be at the Mall from 1-8 p.m., to answer any questions the public might have and give hourly lectures on heart disease.

Some of the equipment on display will include treadmill, cardiograph, pace-makers etc.

The public is invited to view this interesting display and learn more about the nation's number one killer

— Heart Disease.

Letters to the Editor

Development plan criticized

Dear Sir:
Re: Proposed re-zoning of Lots 21-27, inclusive, in Block 1, Plan 5949 K.S. (South of Evangelical Lutheran Church on the east side of Grandin Road).

We, representing a group of concerned citizens of St. Albert, wish to make reference to a public works meeting held Jan. 6 at 7:30 p.m., in the town council chambers of St. Albert to discuss development proposals for the above described parcel of land, also known as Greenwood Place. We also wish to refer to the recently publicized public meeting to be held Feb. 10 to discuss re-zoning on the above area to Class R.1.B.

We understand that the above lots are at present zoned as Class A lots on which only single family dwellings of a minimum of 1,500 square feet can be built. It is now proposed by the developers, Brentwood Homes, to re-zone these seven lots for the purpose of allowing the erection of 13 two-story duplexes for rental purposes.

We object to the proposal that these lots be developed for multiple family dwell-

ings on a rental basis for the following reasons:-
a) This type of dwelling is out of character with the single family dwellings of the surrounding area.

b) The proposed developers, Brentwood Homes, have failed to convince us that, because of their inability to sell lots 21-27, they should be permitted to reclassify the same for multiple family dwelling units.

c) Brentwood Homes are only prepared to offer these units for rent.

d) The precedent, once established, may set a general trend contrary to the home-owning character of St. Albert. For example, if multiple family rental development is permitted on Lots 21-27, presently zoned Class A, such development could be permitted on any similar or other zoned lots, thereby providing good reason for concern on the part of many citizens of St. Albert.

We are convinced that most of the residents of St. Albert are not in favor of the proposed change in zoning.

ing from 1A to R.1B, for the following reasons:-

a) Proper zoning in any municipal unit requires that certain areas be set aside for different types and sized homes. The town has quite properly provided for 38 Class A lots, 21 of which have already been built upon. We understand that there are still 17 Class A lots and that, if the Brentwood Homes development is allowed, then only 10 Class A lots will remain for the building of the type of family dwelling which would be a credit to any town.

b) We take the position that if St. Albert wants to continue its policy to protect homeowners, the present bylaw affecting the above described lots should not be altered in any manner which would adversely affect property values in the surrounding area.

c) To allow the Brentwood Homes developers to build the type of project which will accommodate 26 families instead of seven in this area, which we consider to be one of the best in St. Albert, is in our opinion wrong from every point of view. If Brentwood Homes want to develop this type of rental project, it appears to us that they should investigate the possibility of doing so in an area already zoned for this purpose.

d) We have advised council, as a group, that we are in accord with the development of the area for single detached family dwellings on lots of a standard comparable to those already developed on the west side of Grandin Road.

It is our hope that, at the public meeting on Feb. 10, council will give full consideration to our objections to a rental development. If re-zoning is necessary, our counter proposal does allow for the retention of the single-family dwelling character of the surrounding district. Council has in

Phone your club or social news to Hennie Stibbe at 599-7448. Arrangements for photographs can also be made. There is no charge for this service.

The engagement is announced of Jeanne Marie, eldest daughter of Mr. and Mrs. Allen Houle, 40 Birch Drive, to Mr. Charles Rouse, son of Mr. and Mrs. Glen Rouse of Alix, Alberta, wedding to take place April 19, on lots of a standard comparable to those already developed on the west side of Grandin Road.

fact assured us that our opinions will be taken into consideration. We also appreciate that council should be given the benefit of the opinions of the community as a whole. We earnestly hope, therefore, that all interested parties will attend the public meeting in the council chambers.

Miss Sandra Gay Campbell, daughter of Mr. and Mrs. R. Campbell of Evansburg, Alberta, became the bride of Mr. Lawrence Lefebvre, son of Mr. and Mrs. Roland Lefebvre, 14 Grandville Avenue, Saturday, Feb. 1st at St. Matthews Roman Catholic Church in Edmonton.

The Marguerite D'Youville Auxiliary will hold a meeting Tuesday, Feb. 11 at 8 p.m., at the Home. The Valentine Bingo for residents will be held Friday, Feb. 14 at 1:30 p.m. The auxiliary presented a

housecoat to Mrs. McAlra last week on the occasion of her 103rd birthday.

St. Albert Fire Department was called Sunday to extinguish a car-fire which presumably started when the engine over-heated.

St. Matthews Anglican Church Women elected a new executive at a recent meeting. Mrs. Dunc McNeill is president. Other officers include Mrs. J. Yuskiv, vice president; Mrs. D. Charlson secretary and Mrs. S. St. Claire, treasurer.

Mrs. Laura Lindsay Banks, chairman of the Heart Campaign will be guest speaker when the St. Albert Women's Institute meets at the home of Mrs. M. Vienne, 22 Glenmore Cres., Feb. 25.

The St. Albert Women's Institute announces the 10th annual Festival of Fashions will this year be held March 14 at Father Jan School. As in previous years, fashions from Woodwards will be shown by St. Albert and district models.

CARD OF THANKS

I wish to extend sincere thanks and appreciation to our relatives, neighbors and friends for their many acts of kindness during my husband's illness, also for the help given during my husband's illness, also for the floral tributes, messages of sympathy and overall support after the loss of our beloved husband and father. Special thanks to the nurses and doctors at the General Hospital, to Rev. Fr. Martineau of Legal, Rev. Fr. C. de Champlain of Macleannan, and Rev. Fr. C. Prefontaine of Mayerthorpe. A sincere thank you, also, to the choir members, and the ladies who gave, prepared and served the meal to our relatives and friends. Mrs. Emile Prefontaine and Family.

Obituary

Mrs. May Mirlin

Funeral services were held at St. Albert Roman Catholic Church, Friday morning for Mrs. May Mirlin who passed away Monday, Jan. 27.

Born in Lethbridge, Alberta, Mrs. Mirlin received her education in Regina, Saskatchewan. She graduated as a R.N. prior to the second World War.

Mrs. Mirlin went overseas with the Canadian Army Nursing Services. She served one year in South Africa and three years in England and Italy.

In 1945 she married Dr. Walter Mirlin in Caserta, Italy, and returned to South Africa one year later.

Mrs. Mirlin was president of the Catholic Women's League, Johannesburg, for three years and was active in many charities.

The consolation prizewas given to Dixon Keane.

The pee wee hockey league games were played in Legal last Saturday. Legal defeated the St. Albert Legion by a score of 7 - 1. Legal defeated the St. Albert Fire

Department by a score of 3 - 2. The Legal Bantams defeated Morinville by a score of 4 - 2.

Mr. and Mrs. Jim Lang are visiting friends and relatives in Vancouver.

There will be a meeting of the parish council Friday after Mass.

The Legal Youth Club held another entertaining evening of Bingo for the senior citizens. The lucky winners were: Mrs. Della Piquette, Mrs. George Leduc, Mrs. Marie-Louise Gagnon, Mrs. Diane Remillard, Mrs. Joseph Nault, Mrs. Albert Pouliot, Mr. Joe Blanchette, Mrs. Lorenzo St. Jean, Mrs. Veronique Parent, Mrs. David, Miss Annette Pelletier. The door prize was won by Mrs. Marthe Beauchamp.

"How much longer," the small boy enquired, "will I have to eat spinach to be able to whip anybody who tries to make me eat spinach?"

Our days are all the same size, like identical suitcases. But some people can pack more into them than others.

Referees' tournament

The annual referees tournament will be held in the Morinville Arena from Friday to Sunday, Feb. 7 to 9.

The annual tournament is held to assist teams in the Sturgeon River Senior Hockey League with the payment of referees for the season.

The schedule is as follows:

Letter to the Editor

Dear Sir:

About a year ago an education committee was formed in Bon Accord at a public meeting attended by more than 75 ratepayers.

This committee met with the board of the Sturgeon School Division in April, 1968, and informed them, among other things, that permits had been issued in the village alone that would house 20 families.

Prior to this time, to the best of my knowledge, no certificate of need had been submitted to the department of education for the Bon Accord centralization. The committee was told that nothing could be done on projected growth.

Since the last school was built in Bon Accord the facts are: Three portables have been moved in, Shop has been taken out to make classrooms, Home economics has been abandoned. All basement rooms have been utilized as classrooms. An old one-room school is used even though the washrooms have been sealed off to avoid the odor. Larger buses have been employed to bring children from the rural areas. In 1968, the population of the village alone increased by more than 35 per cent. Prospects are for an even greater increase in 1969. It is the responsibility of senior governments who have subsidized the Redwater Industrial Complex to assist the school construction in this area. Bon Accord, Gibbons and the Sturgeon School Division will bear the brunt of this influx of population with little or no direct tax revenue.

It is my opinion that a majority of the ratepayers do not want their young people sent to city schools. Has our democracy decayed to the extent that the

Vimy

Mr. and Mrs. Jean Boissoneault (nee Joanne Sequin) are to be congratulated upon the arrival of a son.

Mrs. M. B. St. Arnaud was feted at the home of her daughter and son-in-law, Mr. and Mrs. E. Laplante on the occasion of her 85th birthday.

Miss Jocelyn Deschamps was hospitalized at the Immaculate Hospital in the past week.

The annual Alberta Wheat Pool meeting was well attended despite the bitter cold weather.

Miss M. Landry was a recent visitor at the home of Mr. and Mrs. F. Landry.
